Delivering
Satisfaction*

Who we are:

To supply Australia with an excellent and reliable logistics service that thrives on consistently delivering performance through a safe, green, economical, innovative and customized approach.

- St. George Transport is a 100% Australian Independent Company.
- Transport experience exceeds 10 years.
- Proven track record in transport services and innovative technology in reducing carbon footprint.
- Our organization is defined as Energetic, flexible and skilled focused.
- Some of our clientele include Coles, First Choice, Dan Murphy, Vintage Cellars, Liquorland, Bunnings, One Steel, SIMS Metal, Various Minerals & Resources haulage.
- We're very good at what we do... and constantly plan to get better.

How We Care:

1. Provide efficient and economic transport and logistics solutions.
2. Customer care centered and our service levels strive to exceed benchmark standards. This commitment is reflected in all dealings with clients and involves every member in our team.
3. An attitude of care and concern for each consignment with a flexible approach and solutions to meet your changing needs.
4. We understand that the movement of your goods is only the beginning of the process and our experienced team is committed to ensuring your delivery is cared for and carefully tracked every step of the way.
5. Continuous improvements to our technology have given our staff the capability to exceed customer demands quickly. We strive daily to accomplish our vision of customer service excellence through innovation and teamwork.
